THUNDERBIRD PROPERTY OWNERS ASSOCIATION (TPOA) is sponsoring a fund raiser to benefit the TOWN OF LAKE SANTEETLAH's project to enhance our community entrance.

This enhancement will include the following:

- -Remove the railroad tie retaining walls and rebuild with stone.
- -Change the configuration of the entrance sign flower bed and raise the town sign so it can be seen above the vegetation.
- -Rebuild the TPOA bulletin board support using stone.
- -Reconfiguring the drive area so we can exit the town and reenter without driving on old 129.
- -Repaving the entrance area.
- -Enhance the area landscaping.

Our TOURIST DEVELOPEMENT ASSOCIATION will sponsor the installation of dual electric car chargers.

Please join your friends, neighbors, and other property owners by purchasing an inscribed paver brick and help enhance the attractiveness of our town entrance.
